Foreword

This roster is issued by the Board of Medical Examiners of the State of North Carolina in compliance with the statute (G.S. 90-15.1), which is as follows:

Section 1. Chapter 90 of the General Statutes is hereby amended by adding thereto a new section to be designated as G.S. 90-15.1, and to read as follows:

"G.S. 90-15.1 Every person heretofore or hereafter licensed to practice medicine by said Board of Medical Examiners shall, during the month of January, 1958, and during the month of January in every even-numbered year thereafter, register with the Secretary-Treasurer of said Board his name and office and residence address and such other information as the Board may deem necessary and shall pay a registration fee fixed by the Board not in excess of five dollars (\$5.00). In the event a physician fails to register as herein provided he shall pay an additional amount of ten (\$10.00) to the Board. Should a physician fail to register and pay the fees imposed, and should such failure continue for a period of thirty days, the license of such physician may be suspended by the Board, after notice and hearing at the next regular meeting of the Board. Upon payment of all fees and penalties which may be due, the license of any such physician shall be reinstated.

Sec. 2. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 3. This Act shall be in full force and effect from and after January 1, 1958.

The names of all physicians who are licensed to practice medicine in the State of North Carolina and currently registered with the Board of Medical Examiners of the State of North Carolina to March 31, 1966, are included in this roster.

The names of physicians who hold special limited licenses to practice in specified institutions in the State are not included in this roster. However, they are listed and on file with the Secretary of State of North Carolina.

Any information pertaining to omissions or corrections should be brought to the attention of the Board.

SOME CONCISE INFORMATION TO AID THE PHYSICIANS TO COMPLY WITH THE STATE AND FEDERAL NARCOTIC LAWS

The requirements of a valid Narcotic Prescription are as follows:

1. The prescription must be dated and signed on the day that it is issued.
2. A prescription must bear the full name and address of the patient and the name, address and registry number of the practitioner who writes the prescription.
3. The prescription must be signed by the practitioner although the body of the prescription may be written by his nurse or assistant.
4. Prescription must be written in ink, indelible pencil or typewritten.

Codeine (or other mild narcotics) in proper amounts, compounded with one or more non-narcotic drugs, may be phoned into the pharmacist.

It is illegal for physicians to phone in other narcotic prescriptions.

It is legal to phone a prescription for "hard" narcotics if the prescription is left with the patient to be given to the person delivering the medicine.

Do's—

Renew narcotic tax stamp annually, on time.

Order all narcotics administered or dispensed on official forms. Keep an accurate record of all drugs administered or dispensed. Report to the North Carolina Board of Health, regular, or habitual users of narcotics. This should include users of large quantities of narcotics even if medically indicated.

Dont's—

Don't prescribe narcotics for a patient you have not examined.

Don't prescribe for large quantities of narcotics.

Don't leave signed prescription blanks for nurse to fill in.

Don't postdate narcotic prescription.

Don't be careless with your prescription blanks.

Don't carry large amounts of narcotics in your bag.

Don't ever take a narcotic unless prescribed by another physician.

Don't write a prescription for a narcotic or compound with narcotic on a PRN basis. It is illegal.

Narcotic addicts are very clever in faking disease, give very pitiful stories, steal blanks, forge signatures, raise amounts on legal prescriptions, and do many other things to obtain narcotics.

A copy of the North Carolina Narcotic laws can be obtained by writing to the State Bureau of Investigation, Post Office Box 2828, Raleigh, North Carolina 27602.
